

CERTIFICATION : EN 397 / REGULATION : 2016 / 425

## ACCESSORIES

REF. : NCAS8203

Protective visors ref. : NCAS1850 / NCAS1851

Protective full face visors ref. : NCAS3015 / NCAS3009

Hearing protection + adaptators ref. : NCAS8200

## TECHNICAL SPECIFICATIONS

- External shell : PP Polypropylene
- Internal shell : HD Polystyrene expanded
- Headband : Soft PA Nylon
- Size : Universal - Adjustable from 51 to 63 cm
- Weight : 390 g

Available colours :

NCAS8201 : White / NCAS8203 : Orange

NCAS8210 : Black / NCAS8204 : Red

## ACCESSORIES

- NCAS1850 : Clear protective visor
- NCAS1851 : Smoked protective visor
- NCAS3015 : Clear protective full face visor
- NCAS3009 : Smoked protective full face visor
- NCAS8200 : Hearing protection + adaptators
- NCAS3000 : Adaptators for hearing protection

## DESCRIPTION

Maximum ventilation thanks to the ten air intakes. The air intakes and the internal outflow channels guarantee effective breathability.

The micrometrical size regulation mechanism positioned at the rear of the helmet provides quick and precise adjustment.

This high-tech and maximum comfort fabric dries very quickly, encouraging the expansion and dispersion of moisture to the outside and leaving a pleasant feeling of freshness.

The Sanitized® treatment is an antibacterial treatment that acts as an internal deodorant counteracting the development of unpleasant odors. Thanks to its hygienic function, it effectively prevents bacterial proliferation by increasing freshness and comfort of the fabric in contact with skin.
